

# 2024 The 2<sup>nd</sup> International Conference on Geosynthetics and Environmental Engineering

# ICGEE

Busan, South Korea  
April 19–20, 2024

ICGEE2024 combines Academia with Industry to adapt scientific achievements into practical applications in the field of Geosynthetics and Environmental Engineering. The 2<sup>nd</sup> ICGEE will continue to promote relevant engineering research and applications in a vast range of topics, including Geosynthetic applications and sustainability, Civil and Structural Engineering, Environmental Engineering and Science.

## Publication

All accepted and presented papers will be published in the conference proceedings and submitted for major indexing services like EI-Compendex, SCOPUS, etc.
